Dear Peter,

Remember your promise to get me whatever copies of OSWALD IN NEW ORLEANS may remain, including those John Christian said he'd return if shiping costs were paid? When last we spoke you had been unable to locate him. I have located him and the books.

He is at 840 N. Larrabie, Los Angeles.

The books, rather than in storage, as he had said, are in the basement of his former San Francisco residence, 2430 Pacific Ave.

Appreciate it. I still get occasional requests and I've been having to tell people there are none.

Hope you are thriving -and happy.

Sincerely,
